EDUCATION

University of Wisconsin-Milwaukee Ph.D Physics	Aug 2026–Present
Franklin and Marshall College BA in Astrophysics GPA 3.97/4.0	May 2026

HONORS AND AWARDS

Joseph R. Holzinger Astronomy Award	2026
John Kershner Scholars Award	2026
John Kershner Scholars Award	2025

FELLOWSHIPS AND GRANTS

F&M Summer Scholar Award	2025
KINETIC Plasma Physics REU	2024

RESEARCH AND PROFESSIONAL DEVELOPMENT

UW-Milwaukee, Graduate TA PHY121 Lab	Aug 2026–Present
Franklin and Marshall College, Research in Radio Pulsar Astronomy, Team Leader Advisor: Dr. Fronefield Crawford	Jan 2023–May 2026
Franklin and Marshall College, Research in Theoretical Cosmology Advisor: Dr. Calvin Stubbins	May 2025–Dec 2025
Franklin and Marshall College, Research in Observational PNe Astronomy Advisor: Dr. Deborah Schmidt	Jan 2025–Dec 2025
West Virginia University, REU Research in Space Plasma Physics Advisor: Dr. Katherine Goodrich	May 2024–Jul 2024
Franklin and Marshall College, TA for AST101	Aug 2023–Dec 2023

REFEREED JOURNAL PUBLICATIONS

-
1. J. W. Kania et al. (incl. Tai Jespersen); Twenty-thousand hour single pulse search with the Green Bank Telescope, MNRAS, accepted [pdf] [arXiv:2601.20143]
 2. Wenke Xia, Fronefield Crawford, Shinnosuke Hisano, Tai Jespersen, Melanie Ficarra, McKenzie Golden, Mia Girona; Reprocessing of the Parkes 70-cm Survey and Discovery of a New Radio Pulsar in the Large Magellanic Cloud, Astrophysical Journal, accepted [pdf] [arXiv:2507.21920]

TALKS AND ORAL PRESENTATIONS

-
- ❖ **A Model of Cosmic Expansion: Creating a Quintessential Inflation Model**
Kumamoto University, Kumamoto, Japan | July 2025
 - ❖ **Pulsar Candidate Rating Training Session**
NANOStars Team Leaders Workshop, U. of Wisconsin Milwaukee | May 2025

- ❖ **Wave Power Observations at Differing Altitudes Within the Auroral Acceleration Region**
Student Teams of Astrophysics Researchers Teleconference | Sep 2024
Center for KINETIC Plasma Physics Workshop | July 2024
- ❖ **Guest Lecture: Pulsar Astronomy**
AST101 at Franklin and Marshall College | Oct 2023

POSTER PRESENTATIONS

- ❖ **A Model of Cosmic Expansion: Creating a Quintessential Inflation Model**
F&M Fall Research Fair | October 2025
- ❖ **Wave Power Observations at Differing Altitudes Within the Auroral Acceleration Region**
Central PA Consortium Astronomers Conference, Dickinson College | April 2025
WVU Undergraduate Research Symposium | Jul 2024
- ❖ **The NANOGrav STARS program at Franklin and Marshall College**
F&M Spring Research Fair | May 2024

SKILLS

- ❖ **Programming:** Python, L^AT_EX, Java
- ❖ **Tools and Environments:** Git, Terminal, Adobe Photoshop, Google Suite
